INTERVIEW SUMMARY

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

On January 4, 2008, an interview was conducted between Examiner Amini and Attorney for Applicant, Jason S. Feldmar (Reg. No. 39,187). Applicants appreciate the time and consideration given by the Examiner in discussing the case.

The claims in view of the cited prior art was discussed. Agreement was reached in that claims 1-12 and 17-28 were in allowable form without any further amendments. Further, it was agreed that claims 14 and 30 contain allowable subject matter. Thus, it was agreed that claims 13 and 29 would be amended to include the limitations of claim 14 and 30 thereby placing the application into condition for allowance.

On January 10, 2008, a Notice of Allowance was mailed from the Patent Office containing Examiner's amendments. Applicants note that the Examiner's amendments are incorrect in that Applicants did not agree to amend claim 11 or cancel claim 12 as set forth in the Examiner's amendment. Accordingly, Applicants respectfully request the issuance of a supplemental Examiner's Amendment withdrawing the amendment to claim 11 and withdrawing the cancellation of claim 12.

In addition, to the effect that the Examiner's reasons of allowance differ from the amendments set forth herein, Applicants traverse such reasons for allowance.

Further, the Notice of Allowance has required submission of new drawings. During the interview with the Examiner, the Examiner requested the submission of such drawings in color. Accordingly, in a filing separate from this electronic filing, Applicants have submitted a petition for color drawings accompanied by the color drawings (i.e., via Express mail).

For the convenience of the Examiner, the current version of the claims along with the proposed amendments are attached hereto.

Respectfully submitted,
